DECLARATION UNDER 37 C.F.R. § 1.132

I, Frank HENSEL, hereby declare:

1. I am a named inventor on the above-identified patent application.
2. I am the Vice President, Research & Development of Patrys Limited, the assignee of the above-identified patent application.
3. The PAM-1 antibody described in the above-identified patent application, which includes the amino acid sequences of SEQ ID NOS:28 and 29, and is encompassed by the pending claims, was not publicly available before the January 26, 2004 filing date of U.S. application serial no. 10/764,730, from which the present application claims benefit.

4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.
